Re: 30 Day Post General Report (10/19/06 to 11/27/2006)

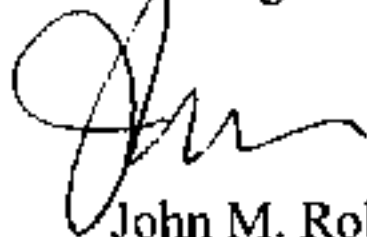

Dear Corbin T. Jones,

We are in receipt of your letter concerning contributions to the campaign of Senator Chaffee on November 3, 2006. We did on that date contribute \$5,000 to the general election. However the second \$5,000 contribution on that date was to the RI Republican party committee to get out the vote and not to the campaign committee of Senator Chaffee. We have filed an amended report for the referenced period to clarify the reporting of the Republican Party contribution.

Also concerning Senator Chaffee, we intended to make a contribution to both his primary and general elections on September 30, 2005. In fact we wrote the checks and reported to the FEC as having made the contributions. However, the checks were never delivered to the campaign committee. We have filed amended reports to remove the contributions that were never made from our report.

We trust this is adequate to clarify the contributions which you questioned in your letter dated February 20, 2007.

Best regards,

John M. Robinson
